

ABOUT US 2018

**LIFTING GEAR**  
HIRE & SALES

# LIFTING GEAR HIRE & SALES THE ESTABLISHED EXPERTS IN LIFTING AND RIGGING GEAR.

**Lifting Gear Hire & Sales are the specialists in providing high quality lifting and rigging gear to a wide range of industries.**

Our management team has over 30 years experience offering quality products. You'll always get the right advice on precisely what lifting, rigging & hoisting gear is best suited to your job.

We work closely with our customers to ensure the gear is at their site when they need it and is ready to go. We're committed to delivering quality products to locations around Australia and beyond. Onshore or offshore if you need it we can provide it.

We're apart of the internationally recognised Global Lifting Group. Demonstrating our commitment to safety, service and quality.

## QUALITY GEAR

You always know what your getting from us. We provide top quality equipment to suit any need and budget.

## EXPERT SERVICE

If you want expert advice on your next rigging or lifting project come to us to make sure you get the right advice.

## HIRE

Often the easiest way to be cost effective is to hire. From a small chain hoist to big rigging gear lifting hundreds of tons we have the range to suit your needs.
